### ANNOUNCEMENTS.

Mr. EDITOR.—Please announce my name as an independent candidate for Supervisor of District No. 8, Richland Township. W.M. BAYLESS.

### Foreign News.

By the steamer Atlantic we learn that the death of the Emperor is confirmed, and his son Alexander second succeeds to the throne.

There has been some more fighting in the Crimea. The French successfully stormed a Russian redoubt. Further than this the news is not of importance sufficient to warrant us in delaying our paper to publish it.

### SPECIAL NOTICES.

VARIOUS TESTIMONIALS.—There is a very common impression that Patent Medicines, as they are termed, are used only by the poor and the ignorant. But from my following, it appears that there is at least one Medicine which has worked its way into high circles, and is being used extensively by the upper ten."

The following conclusive statement was taken from the editorial columns of the New York Courier and American of Feb. 18th, 1851, edited by Col. James Wilson Webb, late U. S. Charge d'Affaires at Vienna:

"We carefully keep aloof from Patent Medicines, in general, but on the strength of actual personal experience, we cheerfully recommend Dr. Rogers' Syrup of Liver, Tar and Camphor, to all afflicted with Complaints of the Liver, and other Medical qualities first two ingredients are well known, the last is a California plant, whose virtues we believe are not unfamiliar to the medical profession.

Dr. Rogers never tried a remedy for a Gold which proved more efficacious in our own case than this.

The following is a letter from Major Van Buren, brother of the Ex-President, Martin Van Buren:

Kingsbury, Feb. 26th, 1853.

Messrs. A. L. COVIL & CO: Dear Sirs—Having occasion to use an Executive, and a Coach recently fast winter, I was advised by the Rev. F. T. Tiffany, of New York, Dr. Rogers' Liver, Tar and Camphor. I took a dose, and it entirely removed my complaint, and I am now perfectly well again.

I fully concur in the above statement,

FREDERICK T. TIFFANY, Reector of the Episcopal Church.

ST. FOR BRONCHITIS.—Throat Diseases, Hacking Cough, and the effects of impure use of Mercury, no medicine has ever been discovered which has effected such cure, as Carter's Spanish Mixtures.

These diseases proclive to salvation. Hacking Cough, Bronchial Attacks, Liver Disease, Neuralgia and Rheumatism, have all been relieved and cured in a wonderful manner, by the great purifier of blood, Carter's Spanish Mixture.

The conditions are—Call on Dr. R. KANEY alone should satisfy any particular containing one or two drams, and procure a pure advertisement, and will assuage your sufferings more effectually than those of all others.

See advertisement—March 29th, 1m.

The best evidence that can be adduced in favor of the efficaciousness of Haddon's German Bitters, prepared by Dr. C. M. Jackson, is the unparallelled popularity of the same, and the number of physicians and patients who have recommended them to us.

It is a well known fact, that the number of physicians who prescribe them, is far greater than any other similar preparation.

They are particularly recommended for the treatment of Consumption, and other diseases of the Liver, and the cure of the same is often effected in a short time.

They are also recommended for the cure of Jaundice, and other diseases of the Liver.
